AGENDA TOPICS

Time allotted | 1 hour | Agenda topics **Github presentation - Installation** | Presenter *Roland*

Discussion Roland presents Github and its functionalities. He suggested that we should have different branches for the different projects (poster, ...)

Conclusion We will put everything on the master branch.

Time allotted | 2 hours | Agenda topic **Poster** | Presenter *Fin/Jakob*

Discussion Our main problem : what do we want to show ? Fin and Jakob presented ideas of designs. We discussed about the poster framework and contents. We suggested several ideas of design : Criminal identification / FB templates... We proposed that we should have a main example (our story) and bubbles explaining the main steps.

Conclusion Think about the poster organisation
